Dear Mr. Terreni:

2005

2005

The Office of Regulatory Staff was informed via e-mail at approximately Noon today that the above referenced cases have been placed on a Supplemental Agenda to the Commissions Agenda for the Commission Meeting to be held tomorrow, October 11, 2006 at 2:30 p.m. The Supplemental Agenda indicates that the Commission plans to take action on the Petition for Reconsideration filed by Time Warner on October 2, 2006.

The Office of Regulatory Staff was, and is, in the process of preparing a response to the Complainant's Petition for Reconsideration. As action on the Motions for Reconsideration had not been placed on the Commissions Agenda for the Meeting on October 11<sup>th</sup> which was posted on October 6<sup>th</sup>, the ORS does not have its responsive pleading in sufficient form to file with the Commission before this matter is taken up tomorrow afternoon. ORS does not anticipate being able to adequately finish its research and adequately prepare its written response to the Petition for Reconsideration within the next twenty-four hours.

The Commission is not required to take action on the Petitions for Reconsideration until twenty days after it has been filed in accordance with S.C. Code Ann. §58-9-1200 (1976). The ORS believes that there are some issues raised in the Petitions for Reconsideration which require a response and we therefore ask that this matter be carried over for a period of one week to allow the preparation of such a response.

Sincerely,

  
Jeffrey M. Nelson
